Greetings students & Parents!

Gifted & Talented testing for Kinder and 1st Grade students has been completed. Tests will sent out to be scored. Gifted & Talented testing for 2nd - 5th grade students will begin next week.

The character education topic for this month is KINDNESS. " Fill up your hearts with kindness" is the message to encourage our students to do many acts of Kindness. To teach our students to be kindhearted and caring individuals that look for the good in others.

If you have any questions, please feel free to contact me at (956)273-4618.

Have a great day!

Sincerely,
